

# **The Journey**

Kenny Hinson

Let me take you on a journey  
Let me warn you before we start  
This won't be no picnic  
We're not strolling through the park

In your own imagination  
See the awful sights unfold  
When we reach our destination  
Deep inside a sinner's soul

See these tears that's formed the scars  
That go rushing through his eyes  
In this the valley of heartache  
'Neath a mountain of eyes

## THE LOVE OF GOD

1. The love of God is greater far  
Than tongue or pen can ever tell;  
It goes beyond the highest star,  
And reaches to the lowest hell;  
The guilty pair, bowed down with care,  
God gave His Son to win;  
His erring child He reconciled,  
And pardoned from his sin.

2. When years of time shall pass away,  
And earthly thrones and kingdoms fall,  
When men, who here refuse to pray,  
On rocks and hills and mountains call,  
God's love so sure, shall still endure,  
All measureless and strong;  
Redeeming grace to Adam's race  
The saints' and angels' song.

# The Middle Man

## VERSE 1

he first loved me  
Praise to that man who died on n  
The Middle Man made it possible

the emblem of suffering  
and I love that old cross  
for a world of lost souls

Refrain:

So I'll cherish the cross  
till my trophies are all gone  
I will cling to the cross  
and exchange it some day

2. O that old rugged cross

to bear it to dark Calvary  
(Refrain)

The crowd was great but she

For it was her last hope of  
healed.

So she pressed through until  
his garment

Oh, and right then and there  
was fulfilled.

Have you prayed and prayed  
find no answer.

Has your faith grown weak and  
you're all alone?

Don't give up for the God who  
leave you.

Thou, Oh Oh Lord, Art a Shield

Thou, Oh Lord

Many are they increased that troubled me

Many are they that rise up against me

Many there be which say of my soul

There is no help for him in God

But thou, oh Lord are a shield for me

My glory and the lifter of my head

Thou, oh Lord are shield for me

My glory and the lifter of my head

And he heard me out of His holy hill

O bless me now, my Savior,  
I come to Thee.*

Got any rivers you think are impossible?  
Got any mountains you can not tunnel through?  
God specializes in things thought impossible  
And he can do what no other God can do

I learned this song about 50 years ago

1. Be of good courage God spake unto Jordan  
river God pointed the way. Jordan uncrossable  
impossible, Waters divide as they march  
any rivers you think are uncrossable? God  
can't tunnel through? God specializes in the  
impossible: He can do what no others can  
they would meet their obstacles, Jericho's  
the ground. God never failed; He stood by  
Walls had to crumble as they marched around  
and His word is dependable; He'll make a way  
for you. Life's situations by Him are amenable  
hills He will part for you too.

I'm so glad You let me see, You're really all that I need.

For the battle's not mine, I give it to You, Lord, it's Yours.

1. Little David looked so small, Goliath looked so tall.  
The odds were just too high for Little David.

So he shook off all of his load for with the power of God.

He said, "The battle's not mine, I give it to You, Lord."

### **CHORUS:**

2. A Little David he stood tall, now Goliath seemed small.  
Sweet victory had reigned for Little David.

He gave the battle to One with a record for getting the best.

He said, "The battle's not mine, I give it to You, Lord."

light,  
What so proudly we hail'd at the  
twilight's last gleaming?  
Whose broad stripes and bright stars,  
thro' the perilous fight,  
O'er the ramparts we watch'd, were so  
gallantly streaming?  
And the rockets' red glare, the bombs  
bursting in air,  
Gave proof thro' the night that our flag  
was still there.  
O say, does that star-spangled banner yet  
wave  
O'er the land of the free and the home of  
the brave?

On the shore dimly seen thro' the mists of  
the deep,  
Where the foe's haughty host in dread  
silence reposes,  
What is that which the breeze, o'er the

As it fitfully blows, half conceals, half

What is that which the breeze, o'er the towering steep,  
As it fitfully blows, half conceals, half discloses?  
Now it catches the gleam of the morning's first beam,  
In full glory reflected, now shines on the stream:  
'Tis the star-spangled banner: O, long may it wave  
O'er the land of the free and the home of the brave!

And where is that band who so vauntingly swore  
That the havoc of war and the battle's confusion  
A home and a country should leave us no more?  
Their blood has wash'd out their foul footsteps' pollution.  
No refuge could save the hireling and slave  
From the terror of flight or the gloom of the grave:  
And the star-spangled banner in triumph doth wave  
O'er the land of the free and the home of the brave.  
O, thus be it ever when freemen shall stand,  
Between their lov'd homes and the war's desolation;  
Blest with vict'ry and peace, may the heav'n-rescued land  
Praise the Pow'r that hath made and preserv'd us a nation!  
Then conquer we must, when our cause is just,  
And this be our motto: "In God is our trust!"  
And the star-spangled banner in triumph shall wave  
O'er the land of the free and the home of the brave!
